

BALAKLAVA SCHOOLS CANTEEN

Dear Parents/Caregivers

Welcome to Balaklava High School. The schools operate a canteen offering excellent food service for the children with the emphasis on *good food choices*. Our school follows the guidelines set out under the Healthy Eating Policy which was implemented in 2008.

The canteen is run by our Canteen Manager, Lisa Watson and one or two volunteer workers per day, from the two schools. This is a service to our children and also raises funds for children's needs at both the High School and the Primary School. It also offers an opportunity for volunteers to meet many of the children and to meet other members of the community as you work together.

All volunteers are provided with lunch on the day along with a "bottomless cup" of tea and coffee.

If you feel you can help, please fill in the tear off slip which also includes time options. We thank you most sincerely for your consideration of this very valuable contribution to your child's school.

Could you please tick which timeslot may suit your needs best with the week and day. You do not have to serve the students if you find this difficult.

Unfortunately, with WHS being a high priority for the Canteen and Balaklava High School, we unfortunately cannot have children in the Canteen whilst parents are volunteering. We realize that this may preclude some parents from volunteering, but we are mindful of the safety of both the child and the wellbeing of the parents.

Please detach and return to Balaklava High School.

Yours faithfully

Canteen Committee
