

**HPE/House Shirt**

Dear Parent / Guardian,

Available for purchase for all students is a HPE/House Polo Shirt. It is encouraged that families purchase this shirt for their child for School Carnivals and Physical Education practical lessons. Good hygiene is important for teenagers, and it is expected that PE students have a change of top for practical lessons. Students can purchase a shirt in their House colour. Please note that this shirt is not to replace the normal uniform polo shirt and should not be worn for a normal school day.

The sizes of the polo shirt correspond with that of the normal navy blue and white uniform polo shirt. To place an order, please complete the order form below and **submit to TADS Balaklava** with appropriate payment. All shirts are priced at \$30.00. In the past, students have personalised their shirts with their name or nickname on the back of the shirt. If you would like any personal printing on your shirt please indicate this on the order form below, this is an additional cost of \$12/name.

\_\_\_\_\_ is in \_\_\_\_\_ House.
