

YEAR 7-12 STATIONERY REQUIREMENTS

Balaklava High School will continue to provide your child with majority of the stationery items required for the school year. These items will begin to be distributed once students return to school in 2025, either via home group or subject teachers. They will not be ready for collection prior to this.

Due to storage space and staffing arrangements, we have made the decision to close the Book Room and therefore, will not be offering stationery sales in the future. Payments relating to camps and excursions, uniform and school fees etc. will continue to be accepted via the Finance Team, located within the Front Office, as well as bank transfers and the Qkr! App.

In the table below are some items that will not be supplied by BHS. We do encourage families to purchase these items, where possible.

Item	Tech Studies/ Material Solutions Year 7-12	Digital Technologies Year 7-9	Maths – Year 8-12	Year 11 Maths Methods	Year 12 General Maths & Maths Methods
Headphones with AUX connection		1			
Scientific Calculator COMPULSORY – **provided and invoiced to Year 7 students only.			1

Safety Glasses	1				
Items for all Subjects	correction tape, coloured pencils, headphones with AUX connection (senior school), pencil case, laptop sleeve (recommended).				

**** The scientific calculator will be provided to Year 7 students only and invoiced to you with the M&S fee for 2025. The order form is attached for students from Year 8-12 who require a replacement calculator.**

*** The graphic calculator can be purchased via the Abacus Online Portal using the information provided during Year 10 & 11 transition days. If you believe your child requires the graphic calculator but has not yet received an order form, please make contact with Amber Buick – Amber.Buick397@schools.sa.edu.au**

Graphic calculators can also be hired for a \$30 bond, through the Resource Centre – Please contact the school for further information 08 8862 0600

Calculator orders will be delivered to Balaklava High School for distribution early February 2025.
